

United States Marine Corps

Corporal Marc Iseli /6014 USMC

was, on the 16th day of July, 1981,

the subject of a

MERITORIOUS MAST

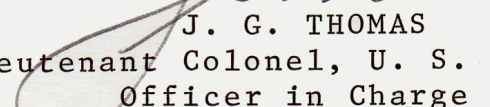

conducted by the

UNITED STATES MARINE CORPS
Detachment Charlie

Marine Tactical Reconnaissance Squadron 3
FPO San Francisco California 96603

for outstanding service as follows:

During the period 26 June - 16 July 81 aboard the USS MIDWAY CV 41, you have demonstrated your superior abilities and noteworthy performance as Plane Captains. You have consistently and enthusiastically accepted all tasks assigned to your division, accomplishing them in the most expeditious and professional manner possible. Recently during normal cyclic operations, Aircrafts 120 blew a main tire upon recovery. The Line Division converged on the aircraft effecting the tire change in less than five minutes. The incident is conclusive of the consistent hustle and coordinated team work that is evident within your division. Through your combined leadership efforts and technical knowledge of Flight Deck Operations, you have directly affected the operational success of this detachment. You are a definite asset to this unit and it's with pleasure you be awarded this Meritorious Mast.
